

DISCOVERY OF *Learning*

come grow with us!

Enrichment Center Teacher (High School)

Discovery of Learning is a secular, multi-age enrichment program designed for students **TK-High School**. Our educational approach is child-centered, developmental, project-based, and hands-on. The **DOL team** works closely with families to create a sense of community and involvement. We work with multiple Charter Schools serving the **homeschool/alternative education community**, in addition to families who choose to homeschool privately. **DOL teachers** support the family and/or charter in providing quality experiences and growing a student portfolio to document each child's educational journey. **DOL serves Los Angeles County (Long Beach), Orange County (Fullerton and Tustin), Riverside County (Beaumont, Indio, Palm Desert and Riverside), San Diego County (San Diego), and Tulare County (Visalia) and growing!**
